This Motion of Plaintiffs Raymond Cressall and David Antonov (collectively, "Plaintiffs") for Preliminary Approval of Class Action Settlement came regularly for hearing before this Court on September 6, 2018, at 8:30 a.m. The Court, having considered the Stipulation of Resolution ("Settlement Agreement"), attached as Exhibit "1" to the <u>Declaration of Anthony J. Orshansky</u> filed concurrently with this Motion; having considered Plaintiffs' Motion For Preliminary Approval of Class Action Settlement, memorandum of points and authorities in support thereof, and supporting declarations filed therewith; and good cause appearing, **HEREBY ORDER THE FOLLOWING**:

1. The Court GRANTS preliminary approval of the class action settlement as set forth in the Settlement Agreement and finds its terms to be within the range of reasonableness of a settlement that ultimately could be granted approval by the Court at a Final Approval hearing. The Court preliminarily approves the terms of the Settlement Agreement and finds that they fall within the range of approval as fair, adequate, and reasonable. Based on a review of the paper submitted by Plaintiffs, the Court finds that the settlement is the result of arm's-length negotiations conducted after Plaintiffs and/or their counsel adequately investigated the claims and became familiar with the strengths and weaknesses of the claims. The assistance of an experienced mediator in the settlement process supports the Court's conclusion that the settlement is non-collusive and reasonable. The settlement is presumptively valid, subject only to any objections that may be raised pursuant to the terms of the Settlement Agreement. For purposes of the settlement, the Court finds that the proposed Settlement Class is ascertainable and that there is a sufficiently well-defined community of interest among the Settlement Class Members in questions of law and fact. Therefore, for settlement purposes only, the Court grants conditional certification of the following Settlement Class:

All persons who are or were employed by Galpin (see definition below) in the State of California as non-exempt employees and paid, in whole or part, on a commission basis, at any time from July 1, 2013 to July 1, 2018. ("Settlement Class" or "Settlement Class Members")

The term "Galpin" means Defendants, and each of them, together with their respective subsidiaries, affiliates, predecessors or successors in interest, or the officers, directors, shareholders, employees, attorneys, agents, assigns, insurers, re-insurers, of any of them, including, but not limited to, Boeckmann Automotive, LLC, *dba* Galpin Honda; Heart and Seoul Automotive, LLC, *dba* Galpin Kia; and Galpin Auto Sports, LLC.

2.

Antonov as Class Representatives, and designates Anthony J. Orshansky and Justin Kachadoorian of CounselOne, P.C., Thomas W. Falvey of Law Offices of Thomas W. Falvey, Michael H. Boyamian and Armand Kizirian of Boyamian Law, Inc., and Marcus A. Mancini of Mancini & Associates as Class Counsel.

- 3. The Court designates CPT Group, Inc., as the third-party Settlement Administrator for mailing notices.
- 4. The Court approves, as to form and content, the Class Notice (comprised of the Notice of Pendency of Class Action and Settlement and the Notice of Settlement Award) attached as Exhibit A to the Settlement Agreement (which is itself attached as Exhibit "1" to the Declaration of Anthony J. Orshansky).
- 5. The Court finds that the form of notice to the Settlement Class Members regarding the pendency of the Action and of the Settlement Agreement, and the methods of giving notice to Settlement Class Members constitute the best notice practicable under the circumstances, and constitute valid, due, and sufficient notice to all Settlement Class Members. The form and method of giving notice complies fully with the requirements of California Code of Civil Procedure section 382, California Rules of Court 3.766 and 3.769, the California and United States Constitutions, and other applicable law.
- 6. The Court further approves the procedures for Settlement Class Members to opt out of or object to the settlement, as set forth in the Class Notice and the Settlement Agreement.
- 7. The procedures and requirements for submitting objections in connection with the Final Approval hearing are intended to ensure the efficient administration of justice and the orderly presentation of any Settlement Class Member's objection to the settlement, in accordance with the due process rights of all Settlement Class Members.
- 8. The Court directs the Settlement Administrator to mail the Class Notice to the Settlement Class Members in accordance with the terms of the Settlement Agreement.
- 9. The Class Notice shall provide 45 calendar days' notice for Settlement Class Members to submit disputes, opt out of, or object to the settlement.

- 10. The Final Approval hearing on the question of whether the Settlement Agreement should be finally approved as fair, reasonable, and adequate is scheduled on <u>January 9</u>, 2019 at <u>8:30</u> a.m. / pm. in Department S26 of this Court, located at 247 West Third Street, San Bernardino, California 92415. The Court reserves the right to continue the date of the Final Approval hearing without further notice to the Settlement Class Members. The Court retains jurisdiction to consider all further applications arising out of or in connection with the Settlement Agreement.
- Agreement should be approved as fair, reasonable, and adequate for the Settlement Class; (b) whether a judgment granting final approval of the Settlement Agreement should be entered; and (c) whether Plaintiffs' request for enhancement payments, settlement administration costs, LWDA payment, and Class Counsel's attorneys' fees and costs should be granted.
- 12. Counsel for the Parties shall file memoranda, declarations, or other statements and materials in support of their request for final approval of the settlement and Plaintiffs' request for enhancement payments, settlement administration costs, LWDA payment, and Class Counsel's attorneys' fees and costs prior to the Final Approval hearing according to the time limits set by the Code of Civil Procedure and the California Rules of Court.

COMPLAINT

Plaintiff RAYMOND CRESSALL, an individual, hereby files this Complaint against Defendants GALPIN MOTORS, INC., a California corporation, GALPIN JAGUAR LINCOLN-MERCURY, INC., a California corporation, GALPIN VOLKSWAGEN, LLC, a California limited liability company (hereinafter "Galpin" or "Defendant") and Does 1 to 25 (hereinafter collectively, "Defendants"). Plaintiff is informed and believes and on the basis of that information and belief alleges as follows:

INTRODUCTION

- 1. This lawsuit challenges the Defendants' employment practices with respect to its Sales Consultants (and other similarly-titled employees) employed in the State of California, based on Defendants' policy and practice of denying earned wages, including overtime pay to these non-exempt employees. In particular, Defendants require their employees to be present and perform work in excess of eight hours per day and/or forty hours per work week but fails to pay them overtime accordingly, and further fails to pay for all straight time hours worked. Also Defendants require such employees to perform work tasks during unpaid breaks, fails to provide meal and rest breaks, fails to timely compensate employees for all wages earned, and fails to properly and accurately calculate overtime and report wages earned, hours worked, and wage rates.
- 2. At all times relevant hereto, and with certain defined exceptions, Defendants' compensation scheme did not fully compensate Plaintiff with at least minimum wages and/or designated rates for all hours worked.
- At all times relevant hereto, and with certain defined exceptions, Defendants'
 compensation scheme did not fully compensate Plaintiff with overtime compensation for all overtime
 hours worked.
- 4. At all times relevant hereto, and as a matter of policy and/or practice, Defendants failed to provide Plaintiff with adequate off-duty meal periods and meal period compensation in violation of Labor Code sections 226.7, 512, and 516 and IWC Wage Order No. 4 section 11.
- 5. At all times relevant hereto, and as a matter of policy and/or practice, Defendants failed to provide Plaintiff with paid rest periods and rest period compensation in violation of Labor Code sections 226.7 and 516 and IWC Wage Order No. 4 section 12.

////

- 6. At all times relevant hereto, and as a matter of policy and/or practice, Defendants knowingly and intentionally provided Plaintiff with wage statements that, among others, do not show all wages earned, all hours worked, or all applicable rates.
- 7. At all times relevant hereto, and as a matter of policy and/or practice, Defendants failed to maintain documentation of the actual hours worked each day by Plaintiff, all wages earned and meal breaks taken in violation of Labor Code sections 1174 and IWC Wage Order No. 4 section
- 8. At all times relevant hereto, and as a matter of policy and/or practice, Defendants failed to pay Plaintiff all wages due and owing upon termination of employment including, but not limited to, payment of wages for off-the-clock work, overtime compensation and missed meal and rest periods compensation.
- 9. In this case, Plaintiff seeks penalties established by Labor Code section 2699, the Private Attorney Generals Act (PAGA), against Defendants for their unlawful employment practices.

FACTUAL ALLEGATIONS

Background

- 24. Galpin is an automobile dealership that sells a variety of makes and models to California residents, including but not limited to, Ford, Honda, Mazda, Volvo, Jaguar, Subaru, Volkswagen, Lotus, and Aston Martin. According to its own website (www.galpin.com), the Galpin Ford Dealership has been "the #1 Volume Ford Dealer in the world for 25 consecutive years."
- 25. Plaintiff worked for Defendants as a Sales Consultant and was classified by Defendants as non-exempt.

////

19.

28 | ////

- 26. The primary work duties of Sales Consultants include, among others, interfacing with potential and/or existing customers to sell or lease new and/or pre-owned vehicles; explaining to such customers the characteristics of various makes and models; apprising car shoppers of warranties and financing options; drafting paperwork; participating in sales meetings; establishing and maintaining follow-up system, which encourages repeat business referrals.
- 27. Sales Consultants are also responsible for compliance with all of Defendants' standardized policies, procedures and practices including, but not limited to, timekeeping, attendance and punctuality, safety and OSHA requirements, code of conduct in dealing with customers, for instance, when encountering questions and objections and effectively closing sales. Sales Consultants, like Plaintiff, are also measured and graded based on their performance in closing sales and achieving positive ratings from customer feedback.
- All of Galpin's Sales Consultants performed essentially the same job duties and were subject to the same basic compensation structure. Specifically, Sales Consultants, including Mr. Cressall, are paid at \$12 per hour plus a commission on any car or truck sold, minus certain deductions. Any commission earned by the Sales Consultant is automatically subject to a deduction of the total hours worked multiplied by \$12. If a Sales Consultant does not register a sale during the pay period, he or she is paid only \$12 per hour regardless of the number of hours worked in a day or in a week.
- 29. Regarding the commission component to the compensation structure, Sales Consultants are paid through a percentage of the front and back profit. However, if the vehicle sold is below the invoice price, then no profit or commission is earned, and is paid a "flat" sum of \$100.

Defendants' Failure to Pay Minimum Wages and Overtime Compensation

- 30. IWC Wage Order, number 4 defines "hours worked" to mean "the time during which an employee is subject to the control of an employer, and includes all the time the employee is suffered or permitted to work, whether or not required to do so."
- 31. Labor Code section 1182.12 and IWC Wage Order, number 4, section 4 formerly provided that on and after January 1, 2008, the minimum wage shall be not less than eight dollars (\$8.00) per hour.

- 32. Labor Code section 1182.12 and IWC Wage Order, number 4, section 4 provide that on and after July 1, 2014, the minimum wage for all industries shall be not less than nine dollars (\$9) per hour, and on and after January 1, 2016, the minimum wage for all industries shall be not less than ten dollars (\$10) per hour.
- 33. Labor Code section 1194(a) provides in relevant part: "Notwithstanding any agreement to work for a lesser wage, any employee receiving less than the legal minimum wage [] is entitled to recover in a civil action the unpaid balance of the full amount of this minimum wage [], including interest thereon, reasonable attorney's fees, and costs of suit."
- 34. Labor Code section 1194.2(a) provides in relevant part: "In any action under Section 1193.6 or Section 1194 to recover wages because of the payment of a wage less than the minimum wage fixed by an order of the commission, an employee shall be entitled to recover liquidated damages in an amount equal to the wages unlawfully unpaid and interest thereon."
- 35. Labor Code section 1197 provides: "The minimum wage for employees fixed by the commission is the minimum wage to be paid to employees, and the payment of a less wage than the minimum so fixed is unlawful."
- 36. Defendants violate California's minimum wage laws on days when Sales Consultants fail to earn a penny in commissions. Sales Consultants are instructed to clock in and out of work using an employment ID card. Galpin also maintains a supposed schedule outlining when employees are scheduled for work. However, in reality, Galpin does not accurately track or record the hours worked by Sales Consultants. In other words, Sales Consultants, including Mr. Cressall, work longer than their scheduled times of work. One such specific example is requiring Sales Consultants to attend preshift meetings before the scheduled start time of work. As a result, Sales Consultants, including Mr. Cressall, are not paid for all hours worked, including overtime, when they work over eight hours in a day or forty hours each week.
- 37. In addition, if a Sales Consultant does not generate a commission during the applicable pay period, the Sales Consultant is paid \$12/hour regardless of the actual number of hours worked. Thus, Sales Consultants, including Mr. Cressall, are paid only straight time of \$12 for each hour even though they worked over eight hours in a day and/or forty hours in a week.

- 38. Labor Code Section 1194 provides that an employee receiving less than the legal overtime compensation is entitled to recover in a civil action the unpaid balance of the full amount of this minimum wage or overtime compensation, including interest thereon, reasonable attorney's fees, and costs of suit.
- 39. Labor Code Section 510(a) states: "Any work in excess of eight hours in one workday and any work in excess of 40 hours in any one workweek and the first eight hours worked on the seventh day of work in any one workweek shall be compensated at the rate of no less than one and one-half times the regular rate of pay for an employee." Labor Code Section 510(a) further states: "Any work in excess of 12 hours in one day shall be compensated at the rate of no less than twice the regular rate of pay for an employee." Labor Code Section 510(a) further states: "[A]ny work in excess of eight hours on any seventh day of a workweek shall be compensated at the rate of no less than twice the regular rate of pay of an employee."
- 40. Throughout the Relevant Time Period, Wage Order No. 4-2001 provided for payment of overtime wages equal to one and one-half (1 1/2) times an employee's regular rate of pay for all hours worked over eight (8) hours per day and/or forty (40) hours in a workweek, and/or for payment of overtime wages equal to double the employee's regular rate of pay for all hours worked in excess of twelve (12) hours in any workday and/or for all hours worked in excess of eight (8) hours on the seventh (7th) day of work in any one workweek.
- 41. Plaintiff was classified as non-exempt by Defendants and was therefore entitled to overtime compensation for all hours worked in excess of the hours and time specified in the Wage Order, statutes and regulations identified herein.
- 42. As a matter of policy and/or practice, on days when a Sales Consultant's earned commission was subject to the hourly deductions of work, Sales Consultant's overall pay is less than minimum wage. For example, if a Sales Consultant did not earn any commission for four days and on the fifth day, he or she made a sale, the commission will be paid less the number of hours worked multiplied by \$12/hour. Similarly, if a vehicle sold below the invoice price, the Sales Consultant was only paid a flat sum of \$100, which was subject to the deduction, leaving the Sales Consultant with pay that was not the equivalent all of their hours worked multiplied by \$12/hour.

- 43. Further, as a matter of policy and/or practice, Plaintiff and other Sales Consultants were frequently required to perform work before and after their scheduled shifts, as well as during meal and rest breaks. Such work includes but is not limited to, attending sales meetings, completing sales work and paperwork.
- 44. Accordingly, Defendants failed to properly record the actual hours worked by Plaintiff and thus failed to pay overtime wages for the actual amount of overtime hours worked.
- 45. Additionally, Defendants improperly calculated the amount of overtime wages owing, and thus failed to pay Plaintiff all overtime wages due.
- 46. Additionally, Defendants did not maintain adequate records of all wages earned, hours worked, and meal and rest breaks taken.

Defendants' Failure to Provide Meal Breaks

- 47. Plaintiff did not waive his meal periods, by mutual consent with Defendants or otherwise. Plaintiff did not enter into any written agreement with Defendants agreeing to an on-the-job paid meal period. Nevertheless, Defendants implemented a uniform policy and procedure in which Plaintiff was not provided required duty-free meal periods.
- 48. Plaintiff is informed and believes and based thereon alleges that Defendants failed to effectively communicate California meal period requirements to their Sales Consultants including Plaintiff.
- 49. Plaintiff is further informed and believes and based thereon alleges that as a matter of policy and/or practice, Defendants routinely failed to provide their Sales Consultants, including Plaintiff, with meal periods during which he was relived of all duties by requiring him to remain on call with his cell phone on and/or with their vehicles during meal periods.
 - 50. Specifically, throughout the Relevant Time Period, Defendants regularly:
 - a. Failed to provide Plaintiff with a first meal period of not less than thirty (30)
 minutes during which Plaintiff was relieved of all duty before working more than five (5) hours;
 - b. Failed to provide Plaintiff with a second meal period of not less than thirty (30) minutes during which Plaintiff was relieved of all duty before working more than

ten (10) hours per day; and

- c. Failed to pay Plaintiff and other aggrieved Sales Consultants one hour of pay at their regular rate of compensation for each workday that a meal period was not provided.
- 51. Sales Consultants, including Plaintiff, were not provided with statutory meal and rest periods. Our investigation has uncovered that on or about the 17th of each month, Sales Consultants, including Plaintiff, are directed to "clean up" their time sheets. This entails Sales Consultants being compelled to log into their accounts and falsely reporting that they took supposedly compliant meal breaks. Such entries are then submitted to management and the Sales Consultant is compelled to lie and say under penalty of perjury that they were provided with mandated breaks.

Defendants' Failure to Provide Rest Breaks

- 52. At all times relevant hereto, Labor Code section 226.7 and IWC Wage Order, number 9, section 12 required employers to authorize, permit, and provide a ten (10) minute paid rest for each four (4) hours of work, during which employees are relieved of all duty.
- 53. At all times relevant hereto, Labor Code Section 226.7(b) and IWC Wage Order, number 9, section 12 required employers to pay one hour of additional pay at the regular rate of compensation for each employee and each workday that a proper rest period is not provided.
- 54. Plaintiff is informed and believes and based thereon alleges that Defendants failed to effectively communicate California rest period requirements to their Sales Consultants including Plaintiff and other aggrieved employees. Plaintiff is further informed and believes and based thereon alleges that throughout the Relevant Time Period Defendants failed to schedule rest periods.
- 55. Throughout the Relevant Time Period, Plaintiff and other aggrieved Sales Consultants were routinely denied the rest breaks they were entitled to under California law.
 - 56. Specifically, throughout the Relevant Time Period, Defendants regularly:
 - Failed to provide paid rest periods of ten (10) minutes during which Plaintiff and other aggrieved Sales Consultants were relieved of all duty for each four (4) hours of work;
 - b. Failed to compensate Plaintiff and other aggrieved Sales Consultants for break time when breaks were taken; and

- c. Failed to pay Plaintiff and other aggrieved Sales Consultants one (1) hour of pay at their regular rate of compensation for each workday that a rest period was not permitted.
- 57. As a matter of policy and/or practice, Sales Consultants who failed to earn a minimum pay of at least \$12.01 per hour in commissions in any period, were not separately compensated for their rest periods in violation of California law.

Defendants' Failure to Pay All Wages Due at Termination of Employment

- 58. At all times relevant hereto, Labor Code § 201 required an employer that discharges an employee to pay compensation due and owing to said employee immediately upon discharge. Labor Code Sections 202 requires an employer to pay an employee who quits any compensation due and owing to said employee within seventy-two (72) hours of an employee's resignation. Labor Code Section 203 provides that if an employer willfully fails to pay compensation promptly upon discharge or resignation, as required under Sections 201 and 202, then the employer is liable for waiting time penalties in the form of continued compensation for up to thirty (30) work days.
- 59. Defendants willfully and knowingly failed to pay Plaintiff and other aggrieved Sales Consultants, upon termination of employment, all accrued compensation including payment of minimum wage compensation, missed meal and rest periods compensation and for time spent performing work off the clock at Defendants' direction.

Defendants' Failure to Provide Accurate, Itemized Wage Statements

- 60. At all times relevant hereto, Labor Code section 226 and IWC Wage Order, number 9, section 7 required employers to maintain adequate employment records and provide employees with accurate itemized wage statements showing gross wages, total hours worked, all applicable hourly rates worked during each pay period, the corresponding number of hours worked at each hourly rate, and meal breaks taken.
- 61. Wage statements provided to Plaintiff and other aggrieved Sales Consultants by Defendants do not show all wages earned, all hours worked, or all applicable rates, in violation of the Labor Code section 226, IWC Wage Order number 4, section 7, and the UCL.
 - 62. Moreover, Defendants did not maintain adequate records of all wages earned, hours

Defendants' Failure to Reimburse Work-Related Expenditures

- 63. Labor Code § 2802 provides, in pertinent part, that "An employer shall indemnify his or her employee for all necessary expenditures or losses incurred by the employee in direct consequence of the discharge of his or her duties, or of his or her obedience to the directions of the employer, even though unlawful, unless the employee, at the time of obeying the directions, believed them to be unlawful."
- 64. Labor Code section 221 generally prohibits an employer from deducting earned amounts from an employee's wages. Labor Code section 221 states that "[i]t shall be unlawful for any employer to collect or receive from an employee any part of wages theretofore paid by said employer to said employee." "[W]ages' " are defined to include "all amounts for labor performed by employees ... whether the amount is fixed or ascertained by the standard of time, task, piece, commission basis, or other method of calculation." Lab.Code, § 200, italics added. Under this definition, sales commissions are considered "wages."
- 65. Galpin also improperly deducted monies from Sales Consultants' commissions by disguising the deductions as costs associated with the sales upon which the commissions were earned. Specifically, Defendants have in place a policy or utilizes a practice termed "CSI Follow-Up", which is a deduction from the sales representative's pay for mailers sent out to Galpin's customers. Specifically, Galpin imposes upon Sales Consultants a requirement of sending mass mailings to existing and prospective customers each calendar month. Sales Consultants, including Mr. Cressall, are then deducted or charged \$99 a month for these mailers. Compounding this fact along with the weekly hourly deduction further highlights that Mr. Cressall and other aggrieved employees are not paid for all hours worked, including overtime.
- 66. Defendants failed to indemnify Plaintiff and the other similarly situated Sales Consultants through their policy, procedure, and/or practice of charging \$99 a month for "CSI Follow-up." The "CSI Follow-up" is a uniform directive that each Sales Consultant is required to perform as part of his or her job duty. The CSI Follow-up is a necessary expenditure because it is mandated and set by Galpin and reflected in the weekly earnings statements of each Sales Consultant. Moreover, for

purposes of Section 221, the commissions earned by Sales Consultants have no identifiable nexus to the mass mailers they send out each month.

Exhaustion of Administrative Remedies

- 67. Plaintiff has complied with the procedures for bringing suit specified in California Labor Code Section 2699.3. By letter dated May 9, 2017, Plaintiff, on behalf of himself and the other aggrieved employees, gave written notice by certified mail to the Labor and Workforce Development Agency ("LWDA") and Defendants of the specific provisions of the California Labor Code alleged to have been violated, including the facts and theories to support the alleged violations.
- 68. More than sixty-five (65) calendar days have passed since Plaintiff provided the LWDA with written notice. To date, Plaintiff has not received any written notice nor been notified from the LWDA that it does intend to investigate the violations of the California Labor Code alleged herein.

More than sixty-five (65) calendar days have passed since Plaintiff provided the LWDA with written notice. - 71. Thus far, the LWDA has not advised Plaintiff it intends to take action on Plaintiff's notice.
- 72. This action arises out of the allegedly unlawful labor practices of Defendants in California. Through this private attorneys general action, Plaintiff represents himself, and other

aggrieved employees of Defendants that were in California, against whom Defendants have allegedly committed labor law violations alleged herein. - 73. Labor Code Section 1198 makes it unlawful for an employer to employ an employee under conditions that violate the applicable Wage Order.
- 74. Plaintiff is informed and believes that throughout the Relevant Time Period, Defendants have applied centrally devised policies and practices to Plaintiff and the other aggrieved employees with respect to wages, hours, and working conditions.

Failure to Pay Minimum Wages and Designated Rates

- 75. At all relevant times, California Labor Code sections 1194, 1197 and 1197.1 provide that the minimum wage for employees fixed by the IWC is the minimum wage to be paid to employees and the payment of a wage less than the minimum so fixed is unlawful. Additionally, Code Section 1198 makes it unlawful for an employer to employ an employee under conditions that violate the applicable Wage Order.
- 76. Where any statute or contract requires an employer to maintain the designated wage scale, Labor Code Section 223 makes it unlawful for an employer to secretly pay a lower wage while purporting to pay the wage designated by statute or by contract.
- 77. At all relevant times, Defendants maintained a policy and practice of requiring Plaintiff and the other aggrieved employees to remain under Defendants' control without paying therefore, which resulted in them earning less than the legal minimum wage in the State of California for all hours worked. At all relevant times, Defendants maintained a policy and practice of requiring Plaintiff and the other aggrieved employees to remain under Defendants' control without paying therefor, which resulted in them earning less than the legal minimum wage in the State of California for all hours worked.
- 78. Defendants' failure to pay Plaintiff and other aggrieved employees minimum wages violates California Labor Code sections 223, 1182.12, 1194, and 1197. Plaintiff and other aggrieved

////

employees are entitled to recover civil penalties pursuant to sections 1197.1 and 2699(a), (f), and (g).

Failure to Pay Overtime Compensation

- 79. Labor Code Section 1194 provides that an employee receiving less than the legal overtime compensation is entitled to recover in a civil action the unpaid balance of the full amount of this minimum wage or overtime compensation, including interest thereon, reasonable attorney's fees, and costs of suit.
- 80. Labor Code Section 510(a) states: "Any work in excess of eight hours in one workday and any work in excess of 40 hours in any one workweek and the first eight hours worked on the seventh day of work in any one workweek shall be compensated at the rate of no less than one and one-half times the regular rate of pay for an employee." Labor Code Section 510(a) further states: "Any work in excess of 12 hours in one day shall be compensated at the rate of no less than twice the regular rate of pay for an employee." Labor Code Section 510(a) further states: "[A]ny work in excess of eight hours on any seventh day of a workweek shall be compensated at the rate of no less than twice the regular rate of pay of an employee."
- 81. Throughout the Relevant Time Period, Wage Order No. 4-2001 provided for payment of overtime wages equal to one and one-half (1 1/2) times an employee's regular rate of pay for all hours worked over eight (8) hours per day and/or forty (40) hours in a workweek, and/or for payment of overtime wages equal to double the employee's regular rate of pay for all hours worked in excess of twelve (12) hours in any workday and/or for all hours worked in excess of eight (8) hours on the seventh (7th) day of work in any one workweek.
- 82. Plaintiff and other aggrieved Sales Consultants were classified as non-exempt by Defendants and were therefore entitled to overtime compensation for all hours worked in excess of the hours and time specified in the Wage Order, statutes and regulations identified herein.
- 83. As a matter of policy and/or practice, Plaintiff and other aggrieved Sales Consultants were frequently required to perform work before and after their scheduled shift as well as during meal and rest breaks. Such work includes but is not limited to attending sales meetings and closing sales and paperwork, and was not recorded at the instruction of management.

- 84. Accordingly, Defendants failed to properly record the actual hours worked by Plaintiff and other aggrieved Sales Consultants, and thus failed to pay overtime wages for the actual amount of overtime hours worked.
- 85. Additionally, Defendants improperly calculated the amount of overtime wages owing, and thus failed to pay Plaintiff and other aggrieved Sales Consultants all overtime wages due.

Failure to Provide Meal and Rest Breaks

- 86. Labor Code Section 512 and Section 11 of the Wage Order impose an affirmative obligation on employers to provide non-exempt employees with uninterrupted, duty-free, meal periods of at least thirty (30) minutes for each work period of five (5) or more hours, and to provide them with two uninterrupted, duty-free, meal periods of at least thirty (30) minutes for each work period of more than ten (10) hours.
- 87. Labor Code Section 226.7 and Section 11 of the Wage Order prohibit employers from requiring employees to work during required meal periods and require employers to pay non-exempt employees an additional hour of premium wages on each workday that the employee is not provided with a required meal period.
- 88. At relevant times during the applicable limitations period, Defendants failed to provide Plaintiff with an uninterrupted meal period of at least thirty (30) minutes on each day that he worked five (5) or more hours, as required by Labor Code Section 512 and the Wage Order, as a result of duties and schedules that do not permit them to take all legally required meal periods. Plaintiff is informed, believes and thereon alleges that, at relevant times during the applicable limitations period, Defendants maintained a policy or practice of not providing the other aggrieved employees with uninterrupted meal periods of at least thirty (30) minutes for each five (5) hour work period, as required by Labor Code Section 512 and the Wage Order, as a result of duties and schedules that do not permit them to take all legally required meal periods.
- 89. At relevant times during the applicable limitations period, Defendants failed to provide Plaintiff with two uninterrupted meal periods of at least thirty (30) minutes on each day that he worked ten (10) or more hours, as required by Labor Code Section 512 and the Wage Order, as a result of duties and schedules that do not permit them to take all legally required meal periods. Additionally,

Defendants failed to provide Plaintiff with an uninterrupted meal period of at least thirty (30) minutes within five (5) hours of his first meal period, as a result of duties and schedules that do not permit them to take all legally required meal periods.

- 90. Plaintiff is informed and believes and thereon alleges that, at relevant times during the applicable limitations period, Defendants maintained a policy or practice of not providing the other aggrieved employees with two uninterrupted meal periods of at least thirty (30) minutes on each day that they worked ten (10) or more hours, as required by Labor Code Section 512 and the Wage Order, as a result of duties and schedules that do not permit them to take all legally required meal periods. Additionally, Defendants maintained a policy or practice of not providing the other aggrieved employees with an uninterrupted meal period of at least thirty (30) minutes within five (5) hours of their first meal period, as a result of duties and schedules that do not permit them to take all legally required meal periods.
- 91. Section 12 of the Wage Order imposes an affirmative obligation on employers to permit and authorize employees to take required rest periods at a rate of no less than ten (10) minutes of net rest time for each four (4) hour work period, or major portion thereof, that must be in the middle of each work period insofar as is practicable.
- 92. Labor Code Section 226.7 and Section 12 the Wage Order prohibit employers from requiring employees to work during required rest periods and require employers to pay non-exempt employees an additional hour of premium wages on each workday that the employee is not provided with the required rest period.
- 93. At relevant times during the applicable limitations period, Defendants failed to provide Plaintiff with a net rest period of at least ten (10) minutes for each four (4) hour work period, or major portion thereof, as required by the Wage Order, as a result of duties and schedules that do not permit Plaintiff to take all legally required rest breaks.
- 94. Plaintiff is informed, believes and thereon alleges that, at relevant times during the applicable limitations period, Defendants maintained a policy or practice of not providing the other aggrieved employees with net rest periods of a least ten (10) minutes for each four (4) hour work period, or major portion thereof, as required by the Wage Order, as a result of duties and schedules

that do not permit them to take all legally required rest breaks. Moreover, as a matter of policy, practice, and/or procedure, Defendants did not separately compensate Sales Consultants, including Plaintiff, for rest breaks.

Failure to Reimburse Work-Related Expenditures

- 95. California Labor Code section 2802 requires that "an employer shall indemnify his or her employees for all necessary expenditures or losses incurred by the employee in direct consequence of the discharge of his or her duties, or of his or her obedience to the directions of the employer..."
- 96. As a direct and proximate result of Defendants' policies and/or practices in violation of Labor Code §§ 2802 and 2804, and Section 9 of Wage Order 4, Plaintiff and the other aggrieved employees were damaged in sums, which will be shown according to proof.
- 97. Plaintiff and the other aggrieved employees are entitled to attorneys' fees and costs of suit pursuant to Labor Code § 2802(c) for bringing this action.
- 98. Pursuant to Labor Code § 2802(b), any action brought for the reimbursement of necessary expenditures carries interest at the same rate as judgments in civil actions. Thus, Plaintiff and the other aggrieved employees are entitled to interest, which shall accrue from the date on which they incurred the initial necessary expenditure.
- 99. As a direct and proximate result of the bad faith actions of Defendants, Plaintiff and the other aggrieved employees have suffered damages due to these violations of California law and seek all damages allowed by law, according to proof. Plaintiff and the other aggrieved employees seek all interest, fees, attorneys' fees, and civil penalties to which they are entitled at law, including but not limited to Labor Code Sections 218. 5 and 218.6.

Failure to Pay Wages Upon Termination

- 100. Labor Code Section 201 provides that all earned and unpaid wages of an employee who is discharged are due and payable immediately at the time of discharge.
- 101. Labor Code Section 202 provides that all earned and unpaid wages of an employee who quits after providing at least 72-hours notice before quitting are due and payable at the time of quitting and that all earned and unpaid wages of an employee who quits without providing at least 72-hours notice before quitting are due and payable within 72 hours.

102. Labor Code Section 203 provides that the wages of an employee continue on a daily basis as a penalty for up to 30 days where an employer willfully fails to timely pay earned and unpaid wages to the employee in accordance with Labor Code Section 201 or Section 202.

103. Plaintiff is informed and believes that Defendants' failures to timely pay Plaintiff and the aggrieved employees all of their earned and unpaid wages, including unpaid minimum wage and overtime, and for their failure to provide rest and meal period premium wages, have been willful in that, at all relevant times, Defendants have deliberately maintained policies and practices that violate the requirements of the Labor Code and the Wage Order even though, at all relevant times, they have had the ability to comply with those legal requirements.

Failure to Provide and Maintain Complaint Wage Statements

Labor Code Section 1174 requires that every person employing labor in this state shall keep (1) a record showing the names and addresses of all employees employed and the ages of all minors; (2) at a central location in the state or at the plants or establishments at which employees are employed, payroll records showing the hours worked daily by and the wages paid to, and the number of piece-rate units earned by and any applicable piece rate paid to, employees employed at the respective plants or establishments; (3) such records in accordance with rules established for this purpose by the commission, but in any case, on file for not less than three years. This statute also prevents an employer from prohibiting an employee from maintaining a personal record of hours worked, or, if paid on a piece-rate basis, piece-rate units earned. Defendants have willfully failed to keep the records required by Section 1174.

105. Pursuant to California Labor Code Section 226(a), Plaintiff and the other aggrieved employees were entitled to receive, semimonthly or at the time of each payment of wages, an accurate itemized statement showing: (a) gross wages earned; (b) net wages earned; (c) all applicable hourly rates in effect during the pay period; and (d) the corresponding number of hours worked at each hourly rate by the employee.

106. Defendants failed to provide Plaintiff with accurate itemized statements in accordance with California Labor Code Section 226(a) by providing Plaintiff with wage statements with inaccurate entries for hours worked, corresponding rates of pay, and total wages earned as a result of

28 | ////

the unlawful labor and payroll practices described herein.

- 107. Plaintiff is informed and believes and thereon alleges that, at all relevant times during the applicable limitations period, Defendants maintained a policy or practice of not providing aggrieved employees with accurate itemized wage statements by providing them with wage statements with inaccurate entries for hours worked, corresponding rates of pay, total wages and deductions from wages earned as a result of the unlawful labor and payroll practices described herein.
- 108. Plaintiff is informed and believes and thereon alleges that Defendants' failure to provide Plaintiff and the aggrieved employees with accurate written wage statements is knowing and intentional.
- 109. Plaintiff is informed and believes and thereon alleges that Defendants have the ability to provide Plaintiff and the aggrieved employees with accurate wage statements, but intentionally provide wage statements that they know are not accurate.
- 110. As a result of being provided with inaccurate wage statements by Defendants, Plaintiff and the aggrieved employees have suffered an injury. Their legal rights to receive accurate wage statements were violated and they were misled about the amount of wages they had actually earned and were owed. In addition, the absence of accurate information on their wage statements prevented immediate challenges to Defendants' unlawful pay practices, has required discovery and mathematical computations to determine the amounts of wages owed, has caused difficulty and expense in attempting to reconstruct time and pay records, and/or has led to the submission of inaccurate information about wages and amounts deducted from wages to state and federal government agencies.
- 111. California Labor Code sections 2699(a) and (g) authorize an aggrieved employee, on behalf of himself and other current or former employees, to bring a civil action to recover civil penalties pursuant to the procedures specified in California Labor Code Section 2699.3.

Section 558 Penalties

112. The PAGA claims are also brought against Defendants pursuant to provisions of the labor code including § 558 which permits liability of persons or employers who violate or cause to be violated Labor Code and IWC regulations. California Labor Code Section 2699.

113. The PAGA states:

Notwithstanding any other provision of law, any provision of this code that provides for a civil penalty to be assessed and collected by the Labor and Workforce Development Agency or any of its departments, divisions, commissions, boards, agencies, or employees, for a violation of this code, may, as an alternative, be recovered through a civil action brought by an aggrieved employee on behalf of himself or herself and other current or former employees...

- 114. One provision of law enforceable through PAGA is Labor Code § 558, which states the following:
 - (a) Any employer or other person acting on behalf of an employer who violates, or causes to be violated, a section of this chapter or any provision regulating hours and days of work in any order of the Industrial Welfare Commission shall be subject to a civil penalty as follows:
 - (1) For any initial violation, fifty dollars (\$50) for each underpaid employee for each pay period for which the employee was underpaid in addition to any amount sufficient to recover underpaid wages.
 - (2) For each subsequent violation, one hundred dollars (\$100) for each underpaid employee for each pay period for which the employee was underpaid in addition to an amount sufficient to recover underpaid wages...

Penalties Authorized by PAGA

- 115. Pursuant to California Labor Code sections 2699(a) and (f), Plaintiffs and the other aggrieved employees of Defendants are entitled to, and seek to, recover civil penalties for Defendants' violations of California Labor Code sections 200, 201, 202, 203, 221, 226, 226.7, 512, 1174, 1198, and 2802, during the applicable limitations period in the following amounts:
 - a. For violations of California Labor Code sections 200, 201, 202, 203, 226.7, and 2802, one hundred dollars (\$100.00) for each aggrieved employee per pay period for each initial violation and two hundred dollars (\$200.00) for each aggrieved employee per pay period for each subsequent violation (penalty amounts established by California Labor Code Section 2699(f)(2));
 - b. For violations of California Labor Code Section 1197, one hundred dollars (\$100.00) for each aggrieved employee per pay period for each initial violation and two hundred dollars and fifty (\$250.00) for each aggrieved employee per pay period for each subsequent violation regardless of whether the initial violation is

To Plaintiffs and Others Filing First Papers. If you are filing a first paper (for example, a complaint) in a civil case, you must complete and file, along with your first paper, the Civil Case Cover Sheet contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check one box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the primary cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

To Parties in Rule 3,740 Collections Cases. A "collections case" under rule 3,740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than \$25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

To Parties in Complex Cases. In complex cases only, parties must also use the Civil Case Cover Sheet to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.
